### **WINDSOR HEALTH PLAN EXPANDS NETWORK OF PROVIDERS Addition of Premier Surgical and Tennessee Urology Associates in Knoxville**

**NASHVILLE, Tenn.** – Windsor Health Plan announced today that both Premier Surgical Associates and Tennessee Urology Associates of Knoxville will be participating providers in their growing network of specialists for all *Windsor Medicare Extra* products.

“We are very excited to enhance our network with such elite providers,” said Jenifer Mariencheck, vice president of Network Services. “They strive to offer superior services and quality care – and that is exactly what Windsor provides for its members.”

Premier Surgical Associates are trained using the highest standards of the American Board of Surgery and the American College of Surgeons. All of their twenty-four physicians are Board Certified in General or Vascular Surgery or both and are Fellows in the American College of Surgeons. They hold specialties in vascular, bariatric, breast, general, and minimally invasive surgeries.

Tennessee Urology Associates is comprised of eighteen physicians at six facilities in the Knoxville area. They offer comprehensive urological care including management of urinary tract infections, bladder control, prostate diseases, cancer of the bladder, congenital abnormalities, impotence problems, urinary stone disease, vasectomies and male infertility.

“Windsor is continually developing and expanding our network in East Tennessee – the addition of Premier Surgical and Tennessee Urology will allow us to provide our members with better access to quality care and a larger network of providers and services,” commented Michael Bailey, president and CEO of Windsor Health Plan.
